Diagram provides general dimensions and is not to scale.
Both second floor cases have the same measurements.

Total height of case (interior): 72 inches

Total width of case (interior): 74.75 inches

Note: The glass shelves are .25 in. thick and 14 inches deep and cannot be moved for safety reasons. There is a space of about 4.25 inches between the front glass of the case and the front edge of the shelves. There are three recessed spotlights in the ceiling of the case—please allow space between display items and hot bulbs!
